

TERRA POWER ATTACHMENTS

HG BRUSH GRAPPLE FOR MINI SKID STEER LOADERS

POWER..
PERFORMANCE..
SIMPLICITY

- STRONG, YET LIGHTWEIGHT DESIGN PROVIDES **MAXIMUM-LIFT CAPACITY AND EFFICIENCY.**
- DUAL CYLINDERS ARE REAR MOUNTED TO ALLOW **BETTER OPERATOR VISIBILITY** AND BETTER PROTECTION OF HYDRAULIC COMPONENTS.
- GREASED HINGE POINTS **MINIMIZE PIN WEAR.**
- OPEN BOTTOM DESIGN SIFTS OUT DIRT AND SMALLER DEBRIS FROM LIMBS AND LARGER DEBRIS TO **MINIMIZE CONTAMINATION OF ORGANIC MATERIAL.**

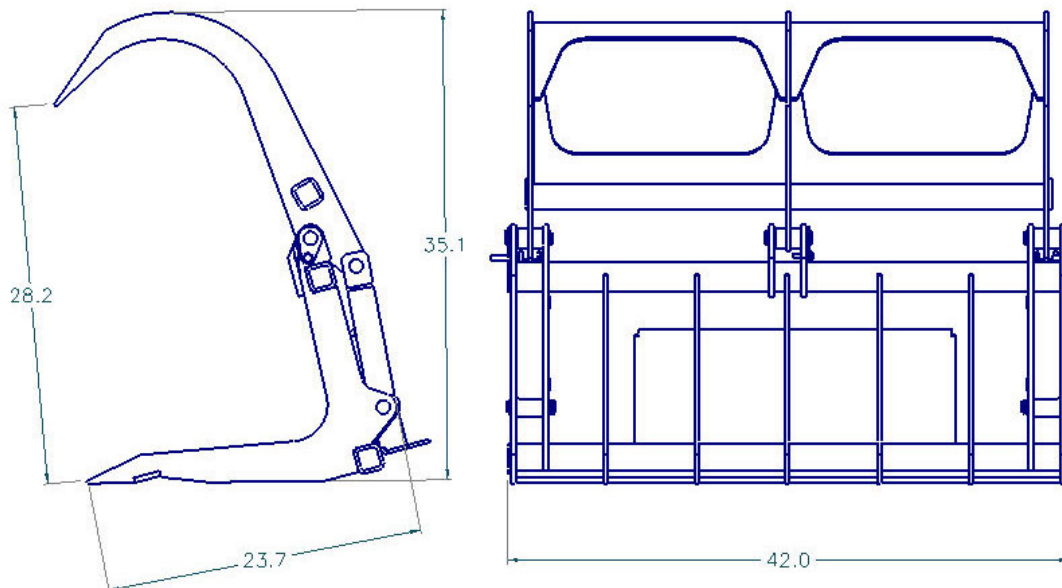

TERRA Power Attachments **HG** series Brush Grapple for mini and compact skid steer loaders turns your mini skid steer loader into a serious brush and debris clearing machine. Unlike other specialty buckets, the HG brush grapple is designed to grab tree limbs, debris - even stone. If you just want to move dirt, use a bucket. But if you want to really clean up, get **TERRA's** HG Brush Grapple.

We know that saving you time and money and making your job easier are what it's all about. And that's what you'll get with **TERRA's** HG series. You'll also get the confidence that comes from our 1 year warranty and outstanding service.
